Year-End FSC Update

Dear MVBC Church Family,
In spite of 2020's challenges, your faithfulness to pray, serve, and give has allowed MVBC to continue ministering faithfully through the midst of a pandemic. However, as we finish 2020, current General Fund contributions as of the end of October are about 5.5% off budget (\$815,442 actual versus \$863,760 budgeted). Thankfully, MVBC has been able to moderate spending in some key areas throughout the year to meet this contribution deficit to date. However, our heart is to finish well in 2020 and start 2021 on a strong foundation possible. As the Lord may lead you, please consider a year end gift to the General Fund to help to this end. If you would like more information, see the "Weekly Budget Update" in the church bulletin or the most recent Month's financial statements available at the "Information Center" outside the Welcome Center.

FOUNDATIONS 2020

MVBC's annual Foundations Offering will be collected today at the Church Family Meeting. This year's goal is \$40,000, and the focus of the offering will be on continuing improvements to the platform area in the sanctuary. Also, 10% of the total offering given will fund local missions projects and 10% of the total offering given will fund international missions projects. An online giving option for Foundations will also be available through Realm for those who prefer this option. Please pray about how God would have you be a part of this year's offering.
